**UNFINISHED BUSINESS**

**Resolution No. 20-16, A Resolution Establishing Salaries for Anaconda-Deer Lodge County Employees for Fiscal Year 2020-2021**

Commissioner Hart – This was left off the last business session and was brought to our attention by Commissioner Huotte.

Commissioner Huotte – Disclose that resolution does cover my wife’s position as the Witness Coordinator in the County Attorney’s office; but as this covers all employee’s standard across the county, I do not believe it creates any conflict of interest for voting.

County Attorney Krakowka - Believes that is appropriate; he has made it public that his wife works in the County Attorney’s office. A very small part of what is being brought to the Commission today.

Motion made by Commissioner Gates to approve Resolution No. 20-16, A Resolution Establishing Salaries for Anaconda-Deer Lodge County Employees for Fiscal Year 2020-2021; Seconded by Commissioner Smith.

Motion Carried 4-0

**Request by Town Pump to Amend the Development District Map for the Property located at 807 W. Park from the Medium Density Residential District to the Highway Commercial Development District.**

Commissioner Huotte – Thanked the applicant for taking concerns of adjacent landowners into consideration and putting up the concrete wall.

CEO Everett – Town pump is ready to go; the one house has just been destroyed. When I first raised the question that the neighbors were hesitant, they paused everything to make sure the community was behind what they were trying to do. Able to come to a consensus with what the area should look like and what Town Pumps obligations would be. They are a fantastic entity to deal with.
