COURSECO

OLD WORKS GOLF COURSE

Community Open House

THURSDAY - FEBRUARY 6TH | 6PM-7PM

We are inviting the community to an open house at Old Works Golf Course to share information about our vision for the future at one of the finest golf courses in the country!

We will be discussing and sharing information about CourseCo, the new operating partner, along with the areas of concentration that are unique to our operating model and the impact and changes community residents are likely to see in the first year of operations. We will also share our immediate plans for improvements and listen to ideas and comments from attendees.

Please save the date and plan to attend, we look forward to meeting residents of the community!
